

MARKET LEADER IN THE SUPPLY OF ROTATIONAL EQUIPMENT, COMPONENTS & ENGINEERING SERVICES

- Extensive Product Range
- Quality Engineering Services
- Solution Provider
- Over 45 Years of Reliable Service

EXCELLENCE YOU CAN RELY ON

Since 1974, Statewide Bearings has been supplying Australian industry and mining with an outstanding portfolio of products and services. Today, with more than 30 branches across Australia and Indonesia, we have brought to the market some of the world's largest manufacturers.

We remain a 100% privately owned Australian company, reinvesting back into our business to ensure sustained growth, exceptional services and reliability to you.

We believe the foundation of our continued success lies in our core values:

- Uncompromising focus on safety
- Accountable to customer needs
- Cost effective solutions
- Environmental responsibility
- Responsible corporate citizenship
- Industry leading work environment
- Complying with legislation

Our philosophy is to work in partnership with our customers and suppliers to provide the best solutions available efficiently and effectively.

As our customer, you also receive the highest level of technical support and expertise, wherever you are. You can expect to be supported by technicians and engineers with an operational background which is customer focused, innovative, and hands on.

WHO WE ARE

Statewide Bearings has formed the wider, more comprehensive SWB group. As authorised agents and suppliers for many of the world's leading bearing, motion, and industrial process brands, SWB group has serviced manufacturing, mining, power transmission, food & beverage, agriculture, wind energy and a wide range of industrial based businesses for more than 45 years.

These arms of the SWB group include Statewide Bearings, Statewide Linear Bearings, Bunbury Bearings, SWB Plus and Wear-MinTech.

OUR TIMELINE

BEARING PRODUCTS

Ball and Roller Bearings

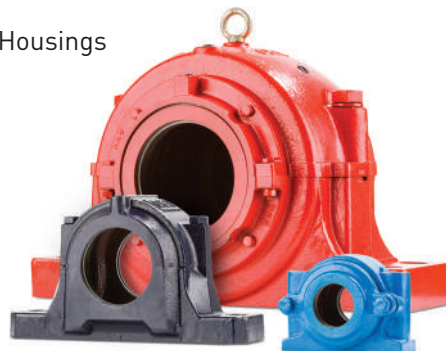

Split Roller Bearings
